Expand Your Sales.

New Boneless Wing Dings® and Wing-Zings® will help you build a bigger crowd than menuing bone-in alone. That's because boneless wings have been proven to attract new customers and increase total wing sales.

**Boneless wings can increase
total wing sales by as
much as **30%!****

New Boneless Wing Dings and Wing-Zings Have Wide Appeal.

- Made from high-quality solid-muscle breast meat
- Fully cooked for heat-and-serve convenience
- Endless menu possibilities

Proven crowd-pleasing flavors — now available boneless.

BONELESS WING DINGS®

Like Bone-in Wing Dings, these boneless chicken wings have a golden breading and a mild, versatile flavor.

Boneless Wing-Zings®

Completing the line of fiery offerings, these spicy breaded boneless chicken wings have our one-of-a-kind peppery “zing” flavor.
